Plaintiff, Terri Pechner-James, completed 23 hours of depositions, prior to the court order of May 22, 2006. She has completed twenty (20) hours since the court order of May 22, 2006. The total number of hours that she has completed is 43 hours. Based upon the calculation of 7 hours for a deposition day, she has completed 6 days and 1 hour of depositions. She has exceeded the number of hours of depositions ordered by the court.

Conclusion:

The number of hours that both Plaintiffs have submitted to depositions exceed the number of hours ordered by the court. Plaintiff, Terri Pechner-James has completed six (6) days and one (1) hour, Plaintiff, Sonia Fernandez, has completed four (4) days and three(3) hours. The depositions are currently suspended. The Plaintiffs complaint is based upon the hostile work environment of the Revere Police Department. They have been adjudicated as disabled as a result of that hostility. These depositions have been a very difficult ordeal for both Plaintiffs. It would be a manifest injustice to subject them to further depositions. That experience will serve only to aggravate their disability and intensify the hostility that they experienced at the Revere Police Department.
